

WALRUS AND NARWHAL HUNTING – pp. 8-13

What in particular attracts people to the Disko Bay?
Why is ivory of great value?
What immigrations took place in Greenland?

DRUM DANCE – pp. 14-21

Battle dance was used to resolve conflicts.
Give some examples of how things are done today.
What happened when different settlements and family groups met in summer? How many baleens were given in exchange for a soapstone lamp?

THE EUROPEAN WHALERS – pp. 22-29

The European whalers did not compensate for the whales they killed. How could that have been done?
What do you see in the pictures on page 25?
What did the Europeans use baleens for?

THE DANISH-NORWEGIAN STATE AND FORMALISED TRADE – pp. 30-39

On page 33 is a map of Ilulissat from 1919 – what does it show? How did the grocery stores affect the way of life of the Inuit? Why was the colonial power dependent on the great hunters?

RESEARCHERS FROM AROUND THE WORLD – pp.40-51

What is the connection between the changes of glaciers and climate changes? What is research of ice cores? Why is it interesting to examine past settlements and what can be found there?
