

# THE YOUNG SCIENTIST

## *Glaciers and the ice sheet*

### TAKE A GOOD LOOK AT THE THREE ICE FLOES AND THE TABLE MODEL

To each ice floe and the table model there are two questions. You find them in the answer sheet. Write or draw the answers to the eight questions on the answer sheet.

The answers can be found in the ice floes, the book and on the table model.

### FIND THE SECRET WORD

Combine the four letters in the circles to a word.

The word has six letters, and the extra two are these: U & E.

The word is the name of an organization:
